Welcome to the Quebec Science Fairs online registration system!

Here's how to register:

1. Check the **DEADLINES** tab to find out the online registration and written report submission deadlines by region. Please note that no change can be made after the deadline.
2. Click the **REGISTRATION** tab and add the information on your project.
3. After having successfully completed Step 2, under the **REGISTRATION** tab you will see the status of your project file and you must print the form (for a duo project, the name of both exhibitors must appear on the printed form). Then have it signed and mail it to your regional CLS.
4. Click on the **FORMS** tab to complete the information. Certain forms will require a signature. You must print them, have them signed and mail them to your regional CLS.
5. Click on the **WRITTEN REPORT** tab in order to complete the mandatory title page for your written project report. You can then upload your written report (depending on your region's deadline).
6. Don't forget to print the various forms requiring a signature and to send them by mail to your regional CLS.

NOTE: It is important to turn off your popup blocker to print the reports on this site.

Based on the current status of your project, you must fill the following forms :

Forms	Status	Edit	Print
Medical File	Waiting for signature		
Rules Verification	Complete		
Scientific Questionnaire	Incomplete		
National Awards	Waiting for signature		

You must also download the following documents, answer them, and then upload them back to us :

Files	Status	Download	Upload
-------	--------	----------	--------

Life Sciences

*Type : Design
 Experimentation
 Study

*Project Summary - 50 words maximum (compulsory) :

words

Does your project require any of these forms (ref: Sections 4 and 6 of the Science Fair Rules)?
If you tick "yes", complete the forms when you are registering online (some forms requiring a signature must also be mailed to your regional CLS).

*Form 4.6.A Yes No

*Form 4.8.A Yes No

*Form 6.10.3.A Yes No

*Form 6.11.A Yes No

*Form 6.12.A Yes No

*Is the project requiring electricity? Yes No

*Was the project presented at a Local Science Fair (in your school)? Yes No

*I authorize the partners of the CDLS-CLS Network to forward my name and address to universities offering awards, so that they can send me information about their programs. Yes No

Once you have filled all the fields, use the "Submit" button to register your project. You must afterwards print a copy, have it signed and send it by mail to your regional CLS.

Don't forget to save the report on your computer by giving it a name you will remember, and make sure to keep a paper copy as well.

Rules verification form - one by project

The list below addresses the issues that are most often encountered in projects; however, it does not represent all the rules. Compliance with all rules will be verified.

A - Written report and forms (refer to section 5.0 of the Science Fair Rules)

1. My written report complies with the rules (see section 5.0). Yes No Not applicable
2. Form 4.6.A and my project report for Year 1 are attached to my second year project report. Yes No Not applicable
3. Form 4.8.A (Contribution from a Recognized Institution) is attached to my written report. Yes No Not applicable
4. Form 6.10.3.A is attached to my written report. Yes No Not applicable
5. Form 6.11.A is attached to my written report. Yes No Not applicable
6. Form 6.12.A is attached to my written report. Yes No Not applicable

B - General safety on the Science Fair site (refer to section 10.0 of the rules)

1. I have a glass construction (maximum 40 cm x 40 cm x 40 cm), held in place by a supporting bracket affixed to the demonstration table. Yes No Not applicable
2. I have rubber tubing and electrical cords in good condition. Yes No Not applicable
3. I have authorized substances that emit odours kept in a hermetically sealed containers. Yes No Not applicable
4. I have equipment or constructions that use electric bulbs (totalling a maximum of 40 watts). Yes No Not applicable
- 4.1 If so, this equipment or these constructions are designed to prevent any danger of burns. Oui Non Ne s'applique pas

C - Chemical Safety (refer to Section 11.0 of the Science Fair Rules)

1. **During the judging period only**, I have to handle solutions containing acids, bases, oxidants, reductants and other reagents whose concentrations are less than 0.5 mole/litre. Yes No Not applicable
- 1.1 If this is the case, indicate the name of all the products used here:
2. I have substitute products labelled "simulated". Yes No Not applicable
- 2.1 If this is the case, list them here :

D - Electrical safety (refer to Section 12.0 of the Science Fair Rules)

1. I have an electrical construction that has a voltage of less than 36 V and equal or less than 5 A. Yes No Not applicable
2. I have a home-made electrical device that has a collar in the area where the power cord passes through the casing. Yes No Not applicable

E - Use of lasers, radiation and radio-isotopes (refer to Section 13.0)

1. For the **judging period only**, I am using a device that emits a laser beam or ultraviolet rays. Yes No Not applicable
- 1.1 If this is the case, what is it?

F - Use of animals (refer to Section 14.0 of the Science Fair Rules)

1. The subject of my project is animals. Yes No Not applicable
- If YES, answer the following questions.**
- In my booth I am showing slides :**
- That were purchased and for which I have the invoice at my booth.
 - That were borrowed and I have a letter authorizing their use.

- That were manufactured, and for which I have a letter of certification from the provider.
- Doesn't apply

In my booth I am showing :

- Mounted animals.
- Hermetically sealed collections (insects, etc.).
- A skeleton or skeleton parts, properly prepared.
- Doesn't apply

AWARDS QUESTIONNAIRE

As you already know, some prizes awarded at the regional final of **Super Expo-sciences Bell, finale québécoise** have eligibility criteria. To help us classify your project, please complete this questionnaire and give it to the Expo-sciences coordinator. To find out about the national prizes and criteria, visit the official Expo-sciences website at www.exposciencesbell.qc.ca.

1. What grade are you in?
2. How old will you be on 2010/04/30?
3. Are you available to attend **Super Expo-sciences Bell, finale québécoise**, which will take place at Université de Montréal - Cepsu
2100 Édouard-Montpetit
Montréal, QC H3T 1J4, from 2010/04/15 to 2010/04/18? A parent or guardian signature is required to validate your registration. Yes No

YOUR PROJECT DEALS WITH OR IS RELATED TO THE FOLLOWING FIELDS

- | | | | |
|---|--|---|--|
| 4. Human health? | <input type="radio"/> Yes <input type="radio"/> No | 10. Energy? | <input type="radio"/> Yes <input type="radio"/> No |
| 5a. You wish to pursue studies in science and engineering? | <input type="radio"/> Yes <input type="radio"/> No | 11. Transportation means? | <input type="radio"/> Yes <input type="radio"/> No |
| 5b. You wish to pursue a career in science and engineering? | <input type="radio"/> Yes <input type="radio"/> No | 12. Agrobusiness or agriculture? | <input type="radio"/> Yes <input type="radio"/> No |
| 6. You are in grade 10 or higher and you want to pursue university studies in health science or pure science? | <input type="radio"/> Yes <input type="radio"/> No | 13. Petroleum? | <input type="radio"/> Yes <input type="radio"/> No |
| 7. Metallurgy, geology, aluminium? | <input type="radio"/> Yes <input type="radio"/> No | 14. Ornithology? | <input type="radio"/> Yes <input type="radio"/> No |
| 8. Chemistry? | <input type="radio"/> Yes <input type="radio"/> No | 15. Astronomy? | <input type="radio"/> Yes <input type="radio"/> No |
| 9. Genomics or proteomics? | <input type="radio"/> Yes <input type="radio"/> No | 16. You have included an artistic aspect in your project? | <input type="radio"/> Yes <input type="radio"/> No |

By clicking on "Submit", I accept to print this form and send a signed version the proper CLS.
